

# Meet the Dragons

## Book one: The Huntress

Kajika: Two tone dark over light grey drake.  
Has wings but can't fly.  
Friend and companion to Mira.  
Heightened ability in deduction and reasoning.

Rakasaye: Two tone dark over light grey drake.  
Has wings but can't fly.  
Friend to Kajika and Mira.  
Creative with what is available to build with.

## Book two: Forest Dragons

Sirrea: Dark grey over green female.  
Mate to Rakasaye.  
Stealth and able to hide using her surroundings.

Pyros: Dark fire brick red drake with wings.  
Breathes fire as well as create a flame by rubbing his paws together.  
He can manipulate fire.  
Make fireballs and throw it.  
Reach in to a fire and throw the flame in any direction he wants.  
His vision changes to infrared at night and he can collect heat and light energy by standing bi-ped and opening his wings.

Aeros: Two tone dark over light blue drake with wings.  
He can manipulate the surrounding air.

He can compress or thin the air by moving his paws together or apart.

Spectrae: Pale grey over white female with wings. She can become transparent, invisible or move from one place to another by thinking about it in a blink of an eye.

Mousike: Pale blue over silver female. She can compose music by blending by sounds and share it with others or create and throw sounds bombs that can injure or kill.

Keraunos: Black over dark green drake. Helps Spectrae find the invaders for the others and becomes her friend. Name translated : Lightning, Thunderbolt.

Book Three:Return of the Ancients (w.i.p.)

Aquos: Maya blue drake with wings. He can become part of a stream or pond. Draw water from what is around him and manipulate it as Pyros does with fire.

Chronus: Two tone dark over light gingerbread female with wings. She can access the time line of any Kharree or slow down time so it appears to be stopped in a small area around her.

Camelia: Two tone dark over light Kelly green female. She can become any living thing.

Terrus: Two tone dark over light Fern green drake. Able to create seismic events.

He can pass in to the soil and use the ground to travel quickly then re-emerge at his destination.

Skadus: Black over dark grey drake.  
He can merge with the shadow of anything.  
He's the last guardian of the city Mira and the others are traveling to.  
Name translated : Shadow, Shade.
